Let It Snow!

Oh the __________ outside is frightful
But the ________ is so delightful
Since we've no place to _____
Let it snow, let it snow, let it snow

It ______________ show signs of stopping
And I brought some ______ for popping
The ________ are turned down low
Let it snow, let it snow, let it snow

When we finally ________ goodnight
How I'll ________ going out in the _______
And if you really hold ______ tight
All the way home I'll be ________

The ________ is slowly dying
And my dear we’re ______ goodbying
As long as you __________ me so
Let it snow, let it snow, let it snow

He doesn't care if it's ten below
He's sitting by the fire’s cozy glow
He don't care about the cold and the winds that blow
He just says, let it snow, let it snow, let it snow

Let it snow!

Ooooh weeeeee goes the storm
Why should he worry when he's nice and warm
His girl by his side and the lights turned low
He just says… let it snow, let it snow

I don't care!
