You've Got a Friend by James Taylor
When you're down and troubled
And you need a helping ___________
And nothing, whoa nothing is going right.
Close your eyes and ___________ of me
And soon I will be there
To brighten up even your darkest __________.

You just ________ out my name,
And you know wherever I am
I'll come running, oh yeah baby
To see you __________.
Winter, spring , ______________, or fall,
All you have to ________ is call
And I'll be there, yeah, yeah, yeah.
You've got a friend.

If the ________ above you
Should turn dark and full of clouds
And that old north ________ should begin to blow
Keep your head together and call my name out loud now
Soon I'll be knocking upon your door.

You just call out my __________
and you know wherever I am
I'll come running (oh yes I will)
To see you again.

Winter, __________, summer or fall
All you got to do is __________
And I'll be there, yeah, yeah, yeah.

Hey, ain't it good to know that you've got a __________?
When people can be so __________.
They'll __________ you,
and desert you.
Well they'll __________ your soul if you let them,
Oh yeah, but don't you let them.
